Exciting Entertainment

At Dirty Dick's, we change our stage shows regularly. Whether you're a "first timer" or you've been before, there's always something new and fresh for you to enjoy. Be entertained by a host of historical—or should that be hysterical—characters, including the "Court Jester", "Queen Elizabeth I", "King Arthur", "Robin Hood" and "Friar Tuck" or "King Henry VIII". These are just some of the fabulous stage shows here at Dirty Dick's. Split your sides with laughter as you enjoy witty songs, whacky comedy, audience involvement, madcap games and, of course, our (in)famous bawdy songs and ditties.
